

Jerangle Public School Newsletter

Week 1 Term 1
31st January 2014

Mrs Sonja Thorvaldson

Principal Jerangle Public
Ph: 6454 3127

From the Principal's Desk

Thank you to everyone who welcomed us back from Russia and listened to all the stories from the Olympics and our visits to Moscow and St Petersburg. We had a wonderful time but I am very pleased to be back in the Monaro a long way from the increasing tension in the Baltic states. It is great to be back at school and I am amazed at the progress all students have made while I was away. I would like to thank Mr Al Nash, Carly Toole, Lynn Southwell and Helen Boate for holding the fort so well and look forward to continuing this year with such a wonderful team of educators. The term is well under way and there are a few events on the horizon (see details in this newsletter). One event to keep in mind that is planned for term 4 is the return of the Jerangle Highland Games when our school will host the Monaro Small Schools fun at here at Jerangle. So get your thinking caps on and if you have a great idea for the Scottish fun day please let us know and we can all start planning together. Finally I would like to thank all those who have wished John and myself all the best for our wedding day on Saturday. The plans are all set and we are both looking forward to celebrating with our families. The ceremony will be held at the Moonbah church on the outskirts of Jindabyne at 3 o'clock. Although the reception will mostly be a family affair Jerangle folk are quite welcome to share the church ceremony with us.

Cooma Show

Congratulations to all those people who entered in the Cooma Show last week. The School was proud to receive two 3rd prizes for decorating their horses. The horses have returned to the school and are proudly displayed in the front office for everyone to admire.

Premiers Reading Challenge

Its on again and time to start reading with gusto. The Premiers Reading Challenge was officially launched at Jerangle last week and now all the students are keen to make this one a super reading year. New books are constantly being added to the library and students are encouraged to take different books home each Wednesday (library day). The challenge is state wide and inspires students to try various books in various genres. Help your child reach their challenge by listening to them read each night.

District Cross Country Carnival

This year the District Cross Country carnival will be held at Nimmitabel Public School on the 3rd April. Students turning 8 this year and older are able to enter and parents are encouraged to go along and cheer for our great school runners. The day starts at 9:45 and will finish at 1:45pm. Good luck to all those who are running.

Jerangle Cross Country Carnival

This year our school Cross Country carnival will be held on the last day of the term (Friday 11th April). All children will be involved and have been enjoying increasing their endurance for fitness this term. The race will be from the school to the cemetery and back again and will start after lunch at 1:30. Parents and community members are welcome to come along and cheer for all the runners. There will be a short award ceremony after the race which will replace the normal Friday assembly for the week.

School Photos.

This year the school photos will be taken on next Tuesday 25th March.

Please send completed money envelopes back to school clearly marked with your family requests.

Active After School Sports

Adrian Blake is happy to be back at Jerangle teaching the students fencing for this term. The after school session is working well and the children have been enjoying refining their fencing skills.

Kosciuszko Excursion

This year Jerangle students will be visiting the Kosciuszko Education Centre at Sawpit Creek on Monday the last week of term. (7th April). Details of leaving and returning to school will be on a permission note sent home soon.

P & C Meeting

Last Thursday the P & C held their AGM at the school followed by their first regular meeting for the year. It was a great meeting with many issues being discussed and made. The energy and liveliness made for a great evening. Thank you to those that attended and a special thanks to Lisa Phillips for providing a delicious meal.

Funky Friday Food

This year Thursday taste testers has moved to Friday and naturally changed it's name to Funky Friday Food. It will run similar to last year with each family being rostered on to provide enough morning tea for the school and staff each Friday. It will start next term and continue in term 3 but not in term 4 since this is always a busy time for everyone. The credit card system will be back again and each child will be issued with their card (and be responsible for it during the term) when they bring in their money.(\$11.00) This will cover the cost of Monday Munchies as well as Funky Friday Food days. Lelia will issue rosters soon.

Monday Munchies

Monday Munchies is making a come back and will operate during term 2 and 3 when a rostered family will provide enough lunch food for the school children and staff for the day. Credit cards will be used and the roster will be sent home soon so start thinking about what your family will cook for lunch.

Hanna's Wool

Hanna continues to do her bit for the school by constantly working on keeping the grass down in the school paddock. But last week the school received a cheque in the mail from Jillamatong Wool from Hanna's wool clip last year. She made an extra \$55.35 for the school to spend on art supplies. Well done Hanna and keep up the good work!

Woolworths Earn and Learn

Last week the school received loads of art and classroom supplies from the Woolworths Earn and Learn program that ran last year. Thank you to all who saved stickers and donated them to our school. We look forward to using the art materials and extra resources in the classroom.

Merit Awards

Congratulations to all those who have been working hard to achieve Merit Awards and Certificates. This week we celebrate the achievements of the following members of the school.

14th March 2014

Merit Certificate Abby Hall and Angela Constance

Sport Award Adam Constance

Reading Award Jess Walker
