Week 10 Term 4
7th Dec 2015

Mrs Sonja T. Sim
Principal Jerangle P. S.

From the Principal's Desk

As the year draws to a close it is wonderful to look back on all the fabulous things the children have experienced over the last 12 months. We certainly have packed a lot into the 4 terms and had some extremely enjoyable times as a class. However, all the super activities and lessons, excursions and programs could not have happened by myself. I would like to sincerely thank all the parents, volunteers and dedicated staff for all the support throughout the year. Your contributions make the school run smoothly and create a happy learning and working environment for all. **Thank you.**

Before I sign off for the year, I would also like to thank the children themselves. They have made each day a delight for me and I love to watch them discover and grow as they walk along their educational path. Well done all. I would like to wish each and every one a safe, happy and healthy Christmas.

Christmas Gifts from the heart

This year the school students have raised over \$200 from their Great Thing Swap shop. They have decided to buy some gifts for people that are less fortunate than ourselves. They looked through the Oxfam catalogue and as a class decided to buy a family of goats, a family of chickens and a farmers' pack that includes a goat, duck and some seeds. The students are happy that they are helping other people and enjoyed choosing Christmas gifts for them.
