From the Principal's Desk

It is hard to believe that we are already at the end of Term 1! I am absolutely impressed at the fabulous progress the students have made over the last 10 weeks which is truly inspiring. They work hard to improve their learning and after reflecting on their own personal goals for the term can look forward to setting new goals next term. The last few weeks has been extremely busy and the students have been keen to include their versions of the events in this newsletter. I would like to thank all those who helped make Dads Day such a success. The day went extremely well and I always love the conversations that the children have showing their family around "their" school. Thank you Dads for making it such a wonderful day, I hope you have found a special spot for the lovely candles and door plaques that were made on the day and taken home. The movies will soon be ready to take home so you can show all your family what great movie stars your family are.

Thank you to all the staff who played in the Jerangle Cricket Match held last week. It was super to see the children in their green uniforms with staff all dressed in cricket whites having fun on the tennis court for the afternoon game. There is already talk about a sequel match for next term with a possibility of change in sport, such as soccer, football, golf, hockey or basketball. So keep your ears to the ground to see what the outcome will be. Finally I would like to wish everyone a safe and relaxing holiday break and I look forward to seeing the children on Tuesday 21st April ready to start Term 2.

Dads Day

On Wednesday 18th March Jerangle had a Dads Day at school.

At the Dads Day my favourite part was making the candles. I did my initials on my candle.

After we did the candles we made a movie trailer and we made an Adventure one.

Next we played football and cricket with Mr Ewart. This was the best sport activity.

Then we painted metal gum leaves with Helen. I painted mine with yellow and blue paint. My wish for the gumleaf was to win the lotto.

Latter we did some wood work with Mr Sim. I burnt a scary monster on my with the words "Keep Out".

The last thing we did was to share our movies with everyone. It was the best school day ever.

By Darcy.

I liked making the candles with Lyn. By Audrey.

On Dads Day at school my dad came to school and we did activities like wood work, made a movie, played cricket, painted a gum leaf, had a barbeque lunch and made candles.

We also had green grapes to eat and gingerbread biscuits in the shape of a dad. We also had strawberries, rock mellow, and a whole lot of other stuff.

I enjoyed having dads at school.

By Marcus.

I liked making candles with Lyn the best. By Bailey.

On Wednesday it was Dad's Day. I think we all loved the movie making the best. The Dads did the role as well. We painted gum leaves and made candles.

At recess we all had cake and fruit.

After that my group burnt wood then played cricket.

I loved Dads at school. By Jess

On Dads Day I had a great day. I liked the cricket the best. I liked it because you can hit the ball really high.

I loved Dads Day. By Jack Flett.

Young Leaders Conference

Angela and I met Mr Griffiths at the Cooma park and we met Tom and Abby at Bredbo. We keep on driving and had lunch at Sutton Forest at subway. Then we continued on to Sydney. Outside my window I could see a cruise ship and lots of buildings.

After settling in we went for a walk around the harbour shore and ended at the Opera house . Later on we all got changed and went out for dinner with two Adaminaby kids and had pizza for dinner. Then we went to the movie and watched a movie called Home. It was good and was about a little alien dude and their species who were hiding from a monster called Orgs. After breakfast we went to the entertainment centre and the best thing was about two men talking about a movie called Paperplanes and he then made paper planes and he flew them inside the centre and they flew a long way.

After we finished we all drove home with Mr Griffiths and arrived at Bredbo at night time

School Photos

On the 24th of March Jerangle school had school photos taken. First we had a school photo with all the teachers and students. Then we all had individual photos .For the school photo the teachers were at the back of the photo and the seniors were in the middle and the Juniors were at the front. After the school photo we had the family photo. We all haven't seen the photos yet but we are sure that they are great.!

Jerangle Cross Country Race.

This year the weather was warm and windy for the Jerangle Cross Country race. The children should all be proud of their efforts with the senior students qualifying for the District Cross Country next term. Adam was the first across the line with a time of 15min and 12 sec while Tom was close on his heels at 16min and 58 sec. Jack F knocked off an incredible 6min off his last years' time, and Jess improved her run by 10min. Angela also improved her last years' time while suffering a very painful stitch this year. We wish our senior students all the best for the District Carnival next term.

District Cross Country Carnival

Please note that the District Cross Country Carnival date has been changed. The new date is 23rd April which is the first Thursday in term 2. Senior students who attain 1st, 2nd or 3rd place in the Jerangle Cross Country race will qualify for the District carnival at Nimmitabel.

Staff Development Day

There has been a change in date for the Staff Development Day this year. Jerangle students will not be attending school on 2nd April as the staff prepare programs and lessons for the year ahead. The students will then attend school on 17th Dec being the last day of the student's school calendar. Please make a note of this change in your personal diaries.

Theo's dog came to help with the Jerangle photos.

Jerangle Cricket Match. 25th March
