## From the Principal's Desk

Welcome back to a new and exciting term – the final one for the year. It is always great to see the children back at school after a holiday break; they all seem fresh and ready to learn. This term we have started swimming lessons on Friday and the Year Six students are looking forward to going to Cooba camp. Miss Coyne is also looking forward to going to camp and meeting up with the other Stage 3 students from the other small schools on the Monaro. It should be a great time and we all have our fingers crossed for some good weather. Last term the children studied the Snowy Mountains Scheme and how it influenced Cooma, so this term we they are going to be following on from that theme and looking into energy and electricity and how it is used. There will be lots of hands on experiments which will be loads of fun for everyone. They are particularly keen to try out our new circuit kits that can turn on lights, make fans whizz and sound a siren. So watch this space for the future Jerangle electricians.

Mrs S. T. Sim

### Swimming Lessons

This term we will be participating in a swimming program at Cooma Pool on Fridays. The lessons start at 1:30 and conclude at 2:15pm. The children will travel to school in the morning as normal and have their swimming gear in a bag to change into. They will have lunch at school before travelling to Cooma by bus for the lessons. They return to Jerangle after their lessons by bus.

On Friday 14th of October Jerangle public school had their first swimming lesson for 2016. First we got changed at school and then got into our groups. I was with Tom and Abby and two other kids from Adaminaby. We met our teacher and swam fifty meters of freestyle. Then we did fifty meters of bubble and breath. Next we got the kick board and did butterfly. To finish off we did a fun jump into the pool off the diving blocks. After that we got changed and got on the bus to go home. It was a super day. ### Kindy Start

This term Jerangle will run the new Kindy Start Program for students thinking

about starting school in 2017. It is a great opportunity for students to come to school and see the children and how are classes run. They will join in games and fun activities and become familiar with the staff and students.

**This year the program will run on Mondays from 9am until 1:15pm.** Please ring the school if you would like more information regarding the Kindy Start Program.

## Senior Boys Project

The 2 senior boys, Tom and I have been working on a project for all

the students at Jerangle. We are designing a BMX track in Hanna's paddock and are getting close to having Cathy making the track with a bob cat. We hope to have an official opening in the next few weeks so that students can bring their bikes to school to have a go on the new track. We all can't wait!

## Gone Fishing Day

On Friday 14th of October Jerangle public school had a early gone fishing day. When we got off the bus we went on to the tennis court and Mrs Sim taught us how to fly fish. First she taught us how to Cast with a fly rod and taught us how to bring the line back. It was awesome.

## Cricket Gala Day

On Thursday the 15th of September Tom, Adam, Abby, Jess and I went to Cooma for a cricket gala day. First we versed Saint Pats and we lost but it was still fun. After we versed Saint Pats we had a bye. So we just had a muck around game. After the muck around game we had recess. At recess we did a mini catching competition. After recess we versed another Saint Pats team and we won 215 to 83 which was really fun. After we versed Saint Pats we played against Cooma Public School, where we won again. It was also great fun. After those two games we had another catching contest and a dancing competition to wrap things up it was the best day ever. By Darcy

## Student Reports and Portfolios

Teachers are now preparing the final student reports which will be sent home later on this term. Student portfolios will also be sent home with their reports.

## Jerangle Playgroup

Jerangle Playgroup is keen to continue this term for fabulous art, storytelling and play. The group meets in the school library on Friday mornings from 10am till 11:30am. It is a great chance to catch up with what is going on in our local area and tap into a wealth of resources from the school. So don't sit at home with the kids, come along and join in the fun. We look forward to seeing you at Jerangle Playgroup.

## P and C Meeting

The next P and C meeting will be on 18<sup>th</sup> Oct at 1:30pm in the school library.

Hello Everyone!

To aid communication for the events to celebrate the Jerangle Public Schools 125<sup>th</sup> anniversary on the 4th March 2017 we have set up an email account. We are currently collecting email addresses so if you could pass this email onto any of your friends who might be interested then all they have to do is reply to this email address and they can be added to the contact list. Of course if you are not interested, you can also contact us to unsubscribe.

Attached to this email is a file containing the following information but if you are like me and hate opening attachments here is the same info but it won't look as pretty as the formatting will be lost!!

Thanks,

### Calling all poets and photographers for the School History Book 2017.

The Jerangle History Book, which is currently being produced, provides us with a unique opportunity to showcase some of our local talent. What better way to capture the essence of Jerangle than by including poetry and photographs by our locals.

#### Poetry

The last history book contained a poem by PC Hughes written over 100 years ago "Little Plain Jerangle or Jeringle" so we would love the next book to contain one that represents Jerangle in 2017. So get your creative minds into overdrive and start writing, please email poems to [Jerangle.history.book@gmail.com](mailto:Jerangle.history.book@gmail.com).
