## From the Principal's Desk

This time of year is a wonderful opportunity to reflect on all the progress the children have made throughout the last 12 months. I am always delighted to see them bound over milestones in their educational journey. They continue to enchant me in their excitement of their own growth and I am so glad to be a part of it all. I would like to take this time to thank everyone for their support in all aspects of the school. I certainly wouldn't have been able to achieve so many outcomes without your continual help. Thank you.

I would personally like to wish each and every family and community member all the best for the festive season and hope that in 2017 all your dreams come true.

My favourite part of 2016 was the camping excursion where we learnt about zoo animals at Dubbo and all about the Dubbo Gaol. I loved being part of Pink Stumps Day and wood work lessons as well as cooking classes. I feel I have improved in my writing and maths. Tom, Year 6

## Presentation Night

The children are looking forward to sharing their presentation play on Thursday night and hope that you can come along and join in the fun. We will be farewelling 3 of our students who will move on to high school next year and we wish them all the best for their new adventure.

### School 125<sup>th</sup> Anniversary meeting

Last Tuesday members of the 125<sup>th</sup> Anniversary committee met in the school library to discuss how plans are going for the big celebration next year. They were able to meet Mr Michael Schwetz who has been part of Jennings School 125<sup>th</sup> Anniversary this year so he was able to contribute some good ideas. Di Roberts is getting very close to finishing the memorabilia book for the occasion and we all look forward to seeing it in print next year. Thank you Di for all your hard work.

**The next meeting will be held on 1<sup>st</sup> February 2017** at 7pm in the school library. Everyone is welcome to have their say in this great event. Look forward to seeing you.
