

Week 10 Term 1
29th March 2016

Mrs Sonja T. Sim
Principal Jerangle P. S.
Ph: 02 6454-3127

From the Principal's Desk

I hope that everyone had an enjoyable break over the Easter holiday. The children have returned to school full of energy and ready to take on the world. They will certainly need a fair bit of enthusiasm to manage all the exciting things planned over the next two weeks.

This week will see the District Cross Country Carnival and the Michelago Mini Markets. Next week we will be hosting the Monaro Small Schools activity day, which we have called the Jerangle Cultural Day. The final activity for the term will be a visit to Kosciuszko National Park on Thursday. It certainly sounds full program and will be loads of fun for everyone.

We are all looking forward to the activities planned and can't wait to have everyone visiting us at Jerangle.

Last week I participated in the Stronger Smarter Leadership course hosted at Monaro High School. There were some really long days (8:30am till 8:30pm) but certainly worth every minute. The course focussed on what students bring to the classroom and how to engage their learning to meet their needs. It will be excellent to implement some of the ideas from the course at Jerangle over the next few weeks.

Mrs S. T. Sim

Premiers Reading Challenge

Don't forget to enter your books in your reading log as you finish reading them.

Easter fun at School

Last week the students had loads of fun making small chickens to fit inside a plastic egg. The chickens were modelled from a foam clay which hardened when it was dry. The students took the chickens home as part of the Easter celebrations. It was amazing to see the detail some children were able to achieve with the clay and we hope to use it again later on in the year.

District Cross Country

This Thursday students will be travelling to Nimmitabel to complete in the District Cross

Country race. They have continued their cross country training and hope to improve on their last efforts. We wish the children all the best for Thursday.

Michelago Mini Markets

This Friday the Jerangle children have been invited to take part in the Michelago Mini Markets. The children are looking forward to painting some faces in the Face Painting Stall as well as having fun running the Ten Pin Bowling Stall. Children should bring a few coins to buy things on the day.

Jerangle Cultural Day

This year Jerangle is lucky enough to host the Small Schools Activity Day. We have started planning and the day is shaping up to be a great deal of fun. It will be based on Indigenous culture and therefore we are calling it Jerangle Cultural Day. It is planned for the last Wednesday of the term (6th April) and the P & C will be offering canteen lunches for the day.

Mum's Day at School

It has finally arrived !!!!! Mum's Day at School!!!!!!

Next term the school will be holding a Mums at School Day on Thursday 28th April. Book it in your diary so that you can be part of this wonderful opportunity to see your child in the classroom and with school peers.

The activities are looking really amazing so don't miss out on a super day in the life of Jerangle School.

Kosciuszko Education Centre.

On Thursday 7th April Jerangle will be making their way up the hill to visit Kosciuszko Education Centre at Sawpit Creek, in the National Park. Students will be participating in new and different environmental educational programs. There will be no canteen available so children will need to bring their own recess and lunch.

Merit Awards

Congratulations to all those who have been working hard to achieve Merit Awards and Certificates. This week we celebrate the achievements of the following members of the school.

25th March 2016

Merit Certificate

Adam Constance

Sport Award

Abby Hall

Reading Award

Jess Walker
