

Jerangle Public School Newsletter

Week 2 Term 2
3rd May 2016

Mrs Sonja T. Sim
Principal Jerangle P. S.
Ph: 02 6454-3127

From the Principal's Desk

Welcome back to an exciting term 2. I hope everyone enjoyed the break and was able to have some quality family time away from all the busy schedules of school terms.

This term, the class is going to be studying many aspects of a rainforest, what makes a rainforest, where they grow and what lives in them. The teachers are looking forward to slowly transforming the classroom into a rainforest – it certainly will be an adventure ahead of us all.

We had a very successful day last week when all the mums turned up to school to participate in some great activities with their children. The students loved having their mums at school and being able to participate in the awesome activities.

Mrs S. T. Sim

Rivers Athletics Carnival

This Friday Jerangle students will travel to Nimmitabel school to participate in the Rivers Athletics Carnival. The day will start at 10am and conclude about 2pm. We hope the weather stays fine for Friday so we can all enjoy having a go at all the events.

School 125th Anniversary meeting 11th May

All members of the community are invited to participate in the meeting regarding next year's 125th anniversary celebration. The meeting will start at 7pm in the school library to discuss activities for the day. So come along and

have your say in what will be a super celebration.

Mum's Day at School

On Mum's Day at Jerangle all the mums got together for a fun day at school. First we did a 12 minute writing activity then we did our other activities. We were divided into groups and my group was the green group which was mum, Darcy, Will, Julie and myself. There were 3 other groups; the red group, yellow group and the blue group.

At the end of the day we performed our skits in front of the mums. I was pretending to be a graduate college and mum pretended to be a melting snowman while Darcy was a Mexican. Mum's Day was fabulous!

Abby

On Thursday Jerangle school had Mums at School Day. There was a warm welcome and then we got into our groups. I was in the yellow group with my mum. Our first task was to write a rainforest story followed by other super activities.

My favourite part was the Bee Bots when we could program a robot bee. First you would press the X and then the arrows and last press GO. The bee followed your instructions and could go all over the map.

We also made apple pies, pottery painted and had fun in drama lessons.

It really was a super day. Thanks Mum.

Marcus.

On Thursday Jerangle Mums came to our school. The best part was the Oscars.

I had such a hoot spending time with Tom and Mum. I loved when Mum and I were in the playground and she told me about the playground when she was at school as a kid.

Jess

On Mums at School day I liked painting.

Arabella

On Mum's Day at Jerangle all the mums got to come to school. We did all sorts of activities. It was great fun to do all these great activities with our mums.

My favourite activity was the Bee Bots because they're great fun and a great activity for a great day. Thanks Mum.

Tom

Earn and Learn

Thank you to all the community members who helped Jerangle school collect Earn and Learn stickers from Woolworths last year. The parcel arrived late last term and the children have been enjoying the equipment in the classroom as well as outdoor sports things. Even the mums had a go at making the robots move that were purchased from the Earn and Learn program. We hope Woolworths will hold this fantastic package again this year so Jerangle can get even more wonderful things for the school.

Premier's Reading Challenge

This term is the official launch of 2016 Premier's Reading Challenge. Last year a record 270 000 students successfully completed the challenge and Jerangle was right up there with 100% student achievement.

So let's help our students complete this year's challenge by encouraging them to read the specially marked Premier Reading Challenge books in the library and adding them to their personal reading logs. (Note to the parents of Kindy students: they will have the opportunity to complete the challenge at school).

Jerangle Facebook site

Jerangle School now has a Facebook account that can be accessed by the public. The main aim of the page is to promote and keep the public up to date regarding the 125 year anniversary celebration next year. However there will be events the children participate in that will be posted after the occasion. The school website will continue and the newsletter will remain the main source of information announcing forth coming events for the school. I hope you all enjoy the new form of social media for the school.

Merit Awards

Congratulations to all those who have been working hard to achieve Merit Awards and Certificates. This week we celebrate the achievements of the following members of the school.

8th April 2016
