Week 10 Term 2
28th June 2016

From the Principal's Desk

The final week of term two is now upon us and the children are certainly looking forward to the holiday break. Looking back on the activities and learning experiences the children have been involved in is rather a daunting exercise. They have all matured and shown growth in their learning which is wonderful to see.

This week Matthew Brown, the Director of schools for the Monaro area, visited Jerangle to see all the fine things we have been doing. While he spoke to staff and children he was very impressed with the vibrant energy the school contained and is looking forward to visiting again next term. Well done Jerangle.

Last week the children read the final chapter of a book called The BFG (Big Friendly Giant) and are looking forward to watching the movie at school to see how one person interprets such a super novel. There has been another movie made from this book which is going to be released during the holiday break. The school is planning to see this movie when it comes to Cooma, so keep your eyes open and let the school know if you hear when it is screening. It will add another dimension to a rich literacy text in the multimedia arena.

Berridale Activities Day

This Wednesday 29th June, the school will be travelling to Berridale to take part in the small school's activity day. The theme for the day is "animals" and students can dress up as an animal of their choice, (please make sure their outfit will allow them to still participate in the games for the day).

Cerebral Palsy Day

This Friday is Cerebral Palsy day and Jerangle students have nominated to make it a onesie day. Children (and staff) are encouraged to wear a onesie (or Pjs) to support people who have Cerebral Palsy.

What will Mrs Sim wear on the day???

CWA International Day

The CWA International day has been postponed to Tuesday 2nd August. The students will still be presenting their talk about Mongolia to the local CWA. We look forward to sharing our information.

Student Reports and Portfolios

Student reports and portfolios went home on Monday and we are hoping that parents and family are enjoying looking at all the hard work students have completed this semester. The portfolios will need to be returned to school after the holidays so that more work can be added until the end of the year.

If you would like to discuss your child's report with the teachers, then please ring the school to organise a time.

Jerangle Playgroup

Jerangle Playgroup has kicked off with a flying start with activities ranging from craft, painting, storytelling and construction play. The group meets in the school library on Friday mornings from 10am till 11:30am. It is a great chance to catch up with what is going on in our local area and tap into a wealth of resources from the school. So don't sit at home with the kids, come along and join in the fun. We look forward to seeing you at Jerangle Playgroup.

School 125th Anniversary meeting

Members of the local community are working together to discuss the celebrations of Jerangle Public School for 125 years in 2017.

Saturday 4th March 2017 was selected and plans are now underway to organise events on the day. A memorabilia book is being created so if you would like to add to this amazing history about our wonderful school please contact the office.

The next meeting will be held on 20th July at 7pm in the school library. Everyone is welcome to have their say in this great event for next year. Look forward to seeing you.

Premier's Reading Challenge

The school has just ordered new Premier's Reading Challenge books for the library to add to an already magnificent choice of books for the children to read. By now the students should be well into the challenge and hopefully reaching the halfway mark in their personal logs. (the challenge closes on Tuesday 16th August) Please encourage your child to read each night and what better way to pass the cold winter evenings than reading a Premier's Reading Challenge book?

Jerangle Facebook site

Jerangle School now has a Facebook account that can be accessed by the public. The main aim of the page is to promote and keep the public up to date regarding the 125 year anniversary celebration next year. However, the Facebook page is now being used to celebrate regular school events in which the

children have participated. The school website will continue and the newsletter will remain the main source of information announcing forthcoming events for the school. I hope you all enjoy the new form of social media for the school.

P and C Meeting

The next P and C meeting will be on 26th July at 1:30pm in the school library.

Work of the week by Jess

On Friday Abby came over and we played the Wii. After that we had dinner, watched Rio 2 and went to bed. In the morning we checked out the new horse float and we moved some of Grandma's stuff. The next day we went for a ride on the horses. It was fun.
By Ben.

On the weekend I went to the snow. It was deep. By Georgia.
