From the Principal's Desk

And just like that we are at the end of the 2018 school year! It seems such a short time ago that we were celebrating Australia Day around the barbecue yet here we are, having achieved so much, only a week from Christmas. As the year draws to a close I would like to thank everybody in the community, both nearby and far away, who has helped us to deliver a quality education to the children of Jerangle. I hope Santa is especially kind to you come the early hours of the 25th and that your Christmas is filled with joy and laughter.

A Permanent Principal for Jerangle

It gives me great pleasure to announce that I have been appointed to the substantive principal position at Jerangle Public School, after many delays and obstacles and an exhaustive merit selection process. I am overjoyed that I am able to remain at such a wonderful school, teaching such enthusiastic students and supported by a wonderful and caring community. This appointment should take affect almost immediately only being held back by the processing speed of the paperwork. I am looking forward to all the upcoming adventures my future at Jerangle will hold.

Presentation Night Wows the Crowds!!

Thank you to everyone who made the time to celebrate our students' effort and achievement in 2018. Once again the Jerangle PS presentation night drew a full house and we were spoilt with the sheer range of delightful supper items. I would like to take this time to give special thanks to Carolyn Ewart and Bill Kelly for their unrivalled commitment and support to enriching the dramatic and musical education and coaching the students through the performances.

We Want Your Rubbish

I would like to thank everybody in the community who has been donating their cans and bottles to the school P&C. As a result of your generosity over a thousand dollars has been raised which will directly benefit our kids. As the busy festive season approaches please remember us when you are sorting out your cans and bottles including 1.25L and 2L soft drink and mixer bottles.

Jerangle Community Christmas Get Together

The Jerangle/ Peak View CWA Christmas Get Together will be held at the CWA Hall at 6pm for a 6:30pm start on Friday 21st December. All members of the community are warmly invited to attend. Please bring a salad, a sweet and a meat to share. Bring your change as raffles in the aid of Cooma Hospital will be held.
