**Wednesday 14<sup>th</sup> November**

School Swimming

**Thursday 15<sup>th</sup> November**

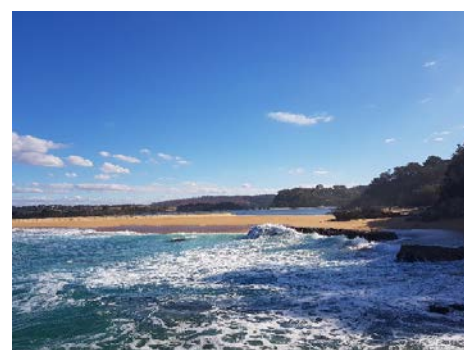

**JETS Transition 9am-3pm**

**Friday 16<sup>th</sup> November**

MEG Meeting Adaminaby  
Michael

## From the Principal's Desk

Today we wave a fond but forceful farewell to Term 3. It always seems the longest and is frequently interrupted by the unavoidable onslaught of winter coughs, colds and flu. As the term draws to a close I would like to take the time to say thank you to everybody who has helped out. From driving students to advocating for them, your time and efforts are invaluable and your dedication our students and our school is one of the key ingredients that makes our school such a special place.

Believe it or not, I am already looking forward to Term 4. From Sydney to swimming and the super-secret school play we are bound to have a lot of fun. I hope the spring holidays prove to be a safe and relaxing experience and that everybody makes it back, raring to go for Term 4.

## Daylight Savings Begins

Love it or hate it; daylight savings will begin during the school holidays. Clocks will spring forward by an hour to make us all compulsory early risers. Luckily all the kids will have a week of practice before coming back to school. Please remember however that there is no staff development day at the beginning of Term 4 and all students will return on Monday 15<sup>th</sup> October. The added bonus for parents is that these holidays are one hour shorter than normal.

## The Bus to School Swimming

I have been scheming and scamming with Bredbo Public School who we will again join with for swimming lessons during Term 4. We have managed to combine to get an excellent price on the bus trip to Cooma Pool. As such transport will be by bus. Please read and return the permission note as soon as possible.

## No Hat = Play in the Shade

A final reminder that students who do not have a school hat on their head next term will be required to play in the shade. Every student has located their hat and most have managed to get back into the habit of wearing it each break. Thank you to the unsung heroes; the parents who have 'encouraged' their children to search for their hat or braved under the bed or the depth of the wardrobe themselves.

## Sydney Excursion

By the time we arrive back at school for Term 4 we will have barely a month before we zoom off on the train bound for Sydney. A comprehensive permission note, packing list and itinerary will be sent home on the first day of Term 4. Final

payments will be due the week before the excursion. Please take the time to speak with me if this is likely to cause any financial difficulties.

### SAP HR Rollout Tries Again

Over the past few weeks and into the first few of Term 4, Helen and I are again carrying out the rollout tasks for the Department's new human resources and payroll system after it was postponed... again. We are certainly looking forward to putting the last two years of system changes to bed.

### Bredbo Wheelchair Basketball

On Tuesday of last week we undertook the first of our four trips away this fortnight. The opportunity to listen to Brendan's story of persistence was invaluable. We had a great time practicing our skills wheeling around the court.

### Michelago Sports Day

We had a wonderful time at Michelago last Thursday. It is always worth the drive to have a play with a few extra students and learn a few new games. The oversupply of cake and ice cream was an added bonus!

### Snowy Monaro Rubbish and Recycling

Day trip number three saw us return to Bredbo for an absolutely rubbish day. Thankfully with some careful sorting it turned out most of the rubbish was recyclable and the day was salvaged. I'm sure most people here are probably understand my little pang of jealousy as I spied the new rubbish and recycling bins that our more town-based dwellers will enjoy.

### Dalgety Small Schools Fun Day

Few!! Day number four took all the way out to the busy streets of Dalgety for the Small Schools Fun Day. These days are always a personal favourite of mine as the kids (and staff) get the opportunity to interact, play and learn from each other. It also is an excellent reminder of just how noisy large gatherings of children can be!

### Pink Stumps Day

Today is our Pink stumps day fundraiser for the McGrath Foundation. While the day itself will be too late for the newsletter here are our posters we made for the day.
